SALLY STOWE ARTS ACHIEVEMENT AWARD

Created in 2016

Sally Stowe stole the show with her outstanding performance in "Hello Dolly"

The Sally Stowe Arts Achievement Award was created by ACT at the request of her loving family to honor her for Sally Stowe's love and commitment to the Arts.

In addition to her accomplishments in local musical theatre, Sally continued to perpetuate the arts by encouraging children to explore their talents and interests through her love of teaching.

Sally was a member of the Arts Council of Torrance for many years, and served as Chairman of the Arts Recognition Awards (now Spotlight Awards) given to high school seniors for several years.

We are extremely proud that Sally's family has chosen the Arts Council of Torrance to continue

Sally's legacy of perpetuating the arts by establishing an award in her honor which consists of a \$500 prize along with a special certificate.
